

## PROTEZIONI PARAFIATO

# *Ristoro*

### PROTEZIONE IN PLEXIGLASS PER LA TUTELA DELLA CLIENTELA AI TAVOLI

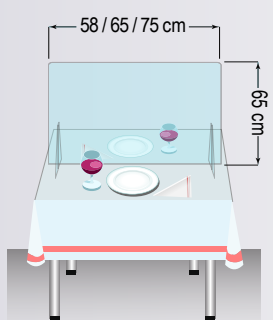

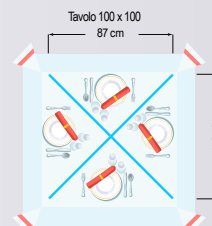

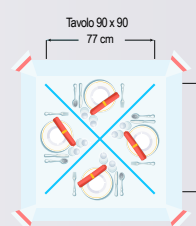

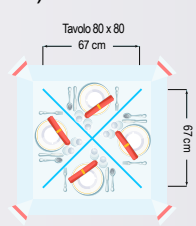

Protezioni in plexiglass autoportanti sono la soluzione ideale per garantire sicurezza ai clienti di ristoranti e pizzerie. Adatte a tutte le tipologie di tavoli sia tondi che quadrati. Disponibili nei modelli Privè, Croce, Duet o Box. Tutti realizzati a incastro in modo che siano facilmente riponibili una volta smontati.

**CROCE** 2 pannelli in polycarbonato spessore 3/4 mm, con incastro a croce.  
3 opzioni di larghezza (95 cm, 108 cm, 122 cm) x altezza 65 cm.
